

ATT009 Solid Sleep & Talla 2XLC - Visions Of A Better Tomorrow

Artist: Solid Sleep
& Talla 2XLC
Title: Visions Of A
Better Tomorrow
Release: 23rd Sept. 2011

Info

When two masterminds of electronic dance music like Frankfurt's legendary DJ Talla 2XLC and his mate Andreas Krämer a.k.a. Solid Sleep team up to show us their "Visions Of A Better Tomorrow", the expectations will be very high. Quiet rightly, when we look back into the history remembering huge anthems such as Solid Sleep – "Club Attack" or Talla 2XLC – "Shine" and "World In My Eyes", just to name a few. Joining their forces in the studio, Talla and Mr. Krämer have created another monster of a track. While Talla 2XLC's VV Mix is very uplifting and melodic – a true hymn bringing power and energy to the dancefloor – the Akato Mix starts a bit more proggy with a techy vibe in it. However, when the main melody comes in we can see and feel the beauty of trance also in this version and at the latest when the pumping beats return the whole club will dance and celebrate like never before. If the future will be as bright as this track sounds nobody has to be frightened at all.
