**Release:** 12.06.08  
**Digital:** 19.06.08

## About:

Home grown Slovakian native Robert Burian, is rapidly becoming renowned as one of the most talented young producers in Dance Music today. Born in the city of Nitra (Slovakia), this aggressive talent has already released his music on Marcus Schulz's "Cold Harbour", and Alter Ego in the UK, and has displayed his natural born talents in a number of other projects.

His versatility in the studio in producing a wide variety of different styles from Euphoric Trance to progressive, peeked the interest of Tetsuo A & R boss, Talla 2XLC. The two met earlier this year when Talla headlined the Dopler Club in Bratislava for the world renowned Beautiful Things, which is where Talla got a chance to witness the talents of Robert Burian. After hearing Robert's "Doom" and "Cobra", Talla immediately snatched them up and signed them to Tetsuo, and after the run of success that Robert has had so far, we are sure that you will agree.

Tetsuo is not just a melodic, epic style trance label, it will continue to develop into a label that tests the boundaries of dance music, and offer a selection of tracks from a number of artists from a few different leagues. The progressive, techie sounds of Robert Burian will lead this assault, as he begins to test the waters of his future with Tetsuo.
