

# TETS-HYB 101 Robert Burian - Orion

**Artists:** Robert Burian  
**Title:** Orion  
**Release:**

## About:

„Patience is the key to be on top“: Robert Burian lives according to this motto. But in fact, he didn't need to be patient. With 26 years he already put on some music at the biggest European events.

Home grown Slovakian native Robert Burian is rapidly becoming renowned as one of the most talented young producers in Dance Music today. Born in the city of Nitra (Slovakia), this aggressive talent has already released his music on the "Coldharbour Label" of Markus Schulz, and „Alter Ego“ in the UK, besides he has showed his natural born talent in a number of other projects. He is considered as a pioneer in the Nu-Trance-Scene and in his home country he is a legend already yet!

Robert's music runs with the hare and hunts with the hounds: to relax on the beach or to dance all night long in the world's biggest discos - Robert makes everything possible for you. His latest track „Orion“ fulfills this dual attraction: It is danceable, but still has chillout-mood. Bart Claessen accelerates the tempo in his remix and adds more bass, this mix could definitely become a club-hit. „Viper“ has a little bit slower mood than „Orion“ - but to keep your legs still is hard anyway.

Move your ass and your heart will follow! :-)
