

# Tets105 - Talla 2XLC vs. Carl B. feat. Katie Marne - Giving Up Giving In

**Artists:** Talla 2XLC vs. Carl B.  
feat. Katie Marne  
**Title:** Giving Up Giving In

## About:

Talla is getting set to release a brand new track, and this time he is working with the idealistic sounds of Carl B. This track will feature the beautiful, melodic vocals of Katie Marne that drove the song "Carry Me" to a whole new level. Well this time she returns with a vengeance, and what package wouldn't be complete without a remix, and who better to do it than Talla's pal, Sean Tyas. Destined to be another big hit for Talla, make sure to check it out.
