

Tets113 Thr3shold - Bad Promoter

Artist: Thr3shold
Title: Bad Promoter

Info:

Agustin Viegas, a talented producer, and Diego Presas, who was already performing as a professional DJ met each other in 2002. Both guys with huge musical background and a similar taste in music showed up an instant chemistry that would carry them into making Thr3shold.

As a result, they started an innovating mixture of styles like Trance, Uplifting, Tech, Hard and Psy. After a few months of studio work, they sign their first track "Timeless" with Couture, the label from Claudio Cazacu. Moreover, one month later they were offered to remix her latest rework from Underworld-Classic "Cowgirl", which got tune of the month on Mixmag and got played by Ernesto vs Bastian on 2008 Trance Energy main area in Amsterdam.

Now Thr3shold appears on Tetsuo with their new floorburner "Bad Promoter". High quality uplifting trance which makes you wanna dance. This release comes with three great mixes: The "Club Mix" is absolutely capable for every hot Saturday night party in your dance club. Just like the "Monster Mix", which blows you away with that strong sound and its wonderful melody. The bewitching melody also emphasizes the Nasty Mix. The crowning finish is one more song: Encounters. Just another track with a powerful beat. As soon as the melody gets in your ear, it will be currently in your head.

Stay tuned and see why Thr3shold are hotly tipped as the next big thing in Trance.
